Every Household

Should have Ayer's Cherry Pectoral. A few doses of it are speedily, and in particular efficacious in Croup, Whooping Cough, and Sore Throat.

"After an extensive practice of nearly fourteen years, I have found nothing equal to Ayer's Cherry Pectoral as a cure for severe colds and coughs. I prescribe it, and believe it to be the best, sometimes, and always to be the first, remedy to be offered to the public."—Dr. John C. Lovie, Druggist, West Bridgewater, Pa.

"Some years ago, Ayer's Cherry Pectoral cured me of asthma after the best medical skill had failed to give me relief. I am confident that nothing else will do it so promptly."

Relieved By

the same remedy, I gladly offer this testimonial for the benefit of all sufferers."—E. H. Hunter, Adrian Depot, Lenawee County, Mich.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give such speedy relief as Ayer's Cherry Pectoral. I have found it also, complete safe in cases of whooping cough."—Mrs. Ellen Wallington, Grand Haven, Mich.

"Ayer's Cherry Pectoral has proved remarkably effective in curing me, and I recommend it as a family medicine."—C. H. Brown, Chicago Belle, Iowa.

## SECRETARY TRACY'S REPORT

# High-Class Furniture at Low Prices.

A Gentleman of refined taste who recently visited the warerooms of the Tobey Furniture Co., expressed himself in these words:

"The best exhibition of pure taste in the upper grades of modern Cabinet Work ever seen in our city, the items being simply jewels of a larger kind cut from the precious woods instead of the precious metals."

We take the liberty to add that our stock was never so full and complete in every department as now. Attention is invited to a special line of Choice Fabrics for Draperies and Coverings.

Do not forget that we are selling everything on one-half our former margins.

One price to all.
